

german week brisbane 1-16 October 2022

» National Language Competition «

Starting 10 October at 7am!

With the arrival of the first German missionaries in the 1840s, German quickly became a widely spoken language in Southern Queensland. Today, German remains one of the most popular languages taught in the school curriculum with over 100 Queensland schools teaching German. Our region is proud host of two **German Pasch Schools** (**Ferny Grove State High School** and **Kenmore State High School** - both offering a German immersion program), as well as a **German Saturday school** (**BGLS** - offering the Goethe exams).

This year the **Annual German Language Competition** will take the form of a trivia quiz! Please register via email with your **name, year level and school** to secure your entry! We will be in touch...
