

## Course Outline – Level A2 High School

This course is for **learners from 12 years of age** who successfully completed the "*Juniors*" course or can demonstrate a sound knowledge of the German language.

This is an engaging course with a communicative approach to extended grammar and vocabulary acquisition. It also provides lots of opportunities to increase student's communicative fluency as well as their German reading and writing skills. It caters for different abilities and learning styles and it encourages students to make cross-cultural references, thereby gaining a better understanding of cultural differences.

### Topics

- Einkäufe & Geschäfte (Shopping & Stores)
- Hier wohne ich! (I live here!)
- Es ist passiert! (It happened!)
- Krank & gesund (Sick & healthy)
- Mein Stadtviertel! (My part of town)
